MEMBERSHIP FORM • 2008 SEASON

For the coming season the club will be introducing a new membership scheme and revised admission charges for home games. This new scheme is to make matchday admission better value for Swinton supporters, and to ensure that fans don't lose out when they miss home fixtures in the holidays. Feedback from fans suggests that season ticket holders don't get best value by the time holidays, cup and play-off fixtures are taken into account, and this new scheme will address these issues.

This scheme will replace the season ticket, and whilst the standard admission rate increases, home fans should see significant benefits, especially juniors who, for the price of membership, get to see every Lions fixture - home and away - free of charge. Our aim is to make Swinton fixtures affordable for all young people and our "pocket money prices" make sure that we can achieve this. The scheme also means that loyal fans don't have a large payment to make in the run up to Christmas for season tickets, instead making savings throughout the season, especially as the members rate applies to all home cup and play-off fixtures.

Memberships are available in the clubhouse after our final home games, and also from the club shop. Anyone that signs up on or before 9th September will receive a £5 discount on any membership fee.

All members will have to supply a recent passport photograph, or have one taken when they submit the form, for inclusion on their membership card. Photos can be sent by post to the address above along with your form and payment. Please ensure you write your name on the back of the photo when you submit. All cheques should be made payable to "Swinton Lions".
